

**You are invited to the  
Opening Celebration Event  
for Waitemata DHB's Asian Health Week**

Asian Health Services are celebrating a decade of achievements in providing innovative culturally appropriate and quality services to Asian clients and families.

We are also launching three key initiatives:

-  Our **Asian Health Week Seminar** on **“The Health of Asian Populations in New Zealand”** which showcases the latest research and information on the health status of Asian populations in New Zealand. Please see attached our seminar programme for the week of **17<sup>th</sup> to 21<sup>st</sup> August 2015** or [click here](#) to enrol for individual sessions.
-  The **national roll-out** of Asian Health Services' **eCALD™ courses and resources** and the new **eCALD™ website** [www.eCALD.com](http://www.eCALD.com). eCALD™ courses and resources are funded by the Ministry of Health via the Northern Regional Alliance (NRA) Ltd.
-  The **“Asian Health in Aotearoa 2012-2013: trends since 2006-2007”** study conducted by Professor Robert Scragg. This report was commissioned by the Northern Regional Alliance Ltd and is the third report completed by Professor Scragg on Asian health trends using the NZ Health Survey data beginning in 2002.
